Extension of Blindman Railway

Extension to the Blindman Valley railway from Rimby in the direction of South Edmonton this year has been promised by Premier Greenfield and the provincial government. The amount of this extension will depend altogether on the financial resources of the government for this purpose. A large contingent delegation from the affected country waited on the governor on Friday morning and presented their case in a most convincing manner. They showed figures to emphasize the reasons that a railway into that well settled country would get in the way of transportation of cattle, live stock and grain. This country is directly contiguous to Edmonton, and the del. gation was asking that the road be linked up with Edmonton direct thus giving access to all the agricultural country lying west of Pigeon Lake, and then into Edmonton.

Simons-Gaetz Concert

A High-Class Entertainment

Music lovers of Ponoka had the opportunity of hearing on Friday evening a concert of high class and unusual quality, when Mrs. Lucy A. Simons, dramatic soprano, and Miss Daisy Gaetz, pianist, gave a programme in the Empress Theatre, under the auspices of the Women's Institute.

Mrs. Simons has a beautiful dramatic voice, pure and clear, and governed by artistic interpretation, understanding of a high order. The songs and variety of her selections were delightful, and her excellent diction added greatly to the enjoyment of the audience.

Miss Gaetz played a sympathetic and efficient accompanist.

In her solo numbers Miss Gaetz's playing of Grieg's songs, opus 7, showed the robust technical skill necessary to the rendering of this exacting composition, and was in marked contrast to the light flowing movement of her next number, "On Wings of Song," by Heller, which was beautifully executed, as was also the difficult left-hand number, "All Alone," by Ravin.

We hope to hear these talented artists at some future date, and believe we can promise them a larger and even more appreciative audience.

The Father and Son Movement

The Father and Son movement was observed in Ponoka by a special service in the Union church on Sunday evening, and a banquet in the same place Monday evening. There was a large attendance on Sunday evening, father and sons forming the main part of the congregation. Two of the boys, Evelyn Bowker and Gerald Crawford, spoke of the Trail Rangers and Axis work respectively.

Rev. C. Bishop based his remarks on Phil. 2:22, and emphasized the necessity of loyalty on the part of the boys, industry and companionship between father and son, springing out of genuine devotion to one another. The hymns were sung with spirit and fervour. Mr. Dunnington rendered the solo, "O Love That Will Not Let Me Go."

On Monday about 60 sat down to a splendid banquet, served by the mothers. Gerald Crawford, Chief Ranger, proved a competent speaker. Three toasts were given: To Canada, proposed by Rev. Westgate, responded to by Mr. Cunningham; To Our Dads, proposed by Mike Brown, responded to by Mr. Bowker; To Our Boys, proposed by Mr. Westgate, responded to by Will Cummins.

Evelyn Bowker described the work of the local organization, and Sheldon Barker, of Lacombe, gave a most interesting account of the Taxis organization. Mr. Gleedholm favoured with two songs; Mr. Clarke entertained the boys with a good story; Wilbur Bowker gave a reading, and Mr. Bishop spoke on "The Need of Leadership." The programme was culminated through out by a number of suitable choruses, Mrs. Lillard leading with the organ, and acting as accompanist for the songs. The evening was a great success, and it is hoped that a more thorough organization of all the boys in the community will be effected.

The thanks of the boys are due to all who helped to provide such a bountiful supper, and to those who so kindly assisted in the work in preparing for it.

CANADIAN CATTLE TRADE WITH BRITAIN

Ottawa, February 18. - Canadian Trade Commissioner Harrison Watson, writing from London, points out that possibly the most interesting development of 1921 was the revival of the live cattle trade which amounted to 66,774 head against no arrivals in 1920. Of this number Canada supplied nearly half, the remainder being from the United States.

There was a heavy decline in shipments of Canadian bacon, amounting to nearly 50 per cent, mainly due to the revival of the

ALBERTA I.O.O.F. OFFICERS

Alberta Oddfellows Grand Lodge completed its business in Edmonton on Thursday evening. In the annual afternoon session the election of officers provided an interesting diversion. In this event E. L. Cope, Medicine Hat, in accordance with long established precedent was advanced from the office of deputy grand master to that of grand master. By the same custom L. I. Stuart, of Ponoka, was advanced to the position of deputy grand master, but for the office of grand warden, through which the occupant falls into line for promotion. The grand secretary, O. E. Tidale, was again elected unanimously, and for grand treasurer, G. W. Henderson, of Calgary, was elected in a close contest, the former occupying 67,000 votes.

The supported officers named by the grand master, are: Grand marshal, Joseph McLelland, of Medicine Hat; grand conductor, Alex. Hill, of Red Deer; grand chaplain, P. C. Jorrell, of Irvine; grand board, G. Riddan, of Cowley; grand herald, W. J. Huntingford, of Wainwright.

Red Cross Notes

Under the chairmanship of Rev. L. R. McDonald an enthusiastic meeting of Alberta citizens recently formed a Red Cross unit, and are making plans to look after the district. The Town, Municipality, School Board, Women's Institute, Ladies Aid and I.F.A. were represented.

The Red Cross hospital at Ponoka is working overtime, according to a report received at headquarters in Calgary. Many patients have been looked after, and relief has been organized there for the district.

The fund for the clothing relief is rural districts of the province is slowly gaining. Donations should be sent to the nearest Red Cross quarters in Calgary. Many patients have been looked after, and relief has been organized there for the district.

The following contributions have been received: -
Previously acknowledged \$1358.45

Mayor A. A. Graham and C. H. Cannings, representing the board of health, interviewed the government in Edmonton last week regarding the state of the river and the aroma therefrom. The matter was placed before the authorities in detail, and it was also pointed out of the dangers arising when the ice moves out. The delegates were courteously received, and were given every facility to explain conditions. Engineers are coming to go over the ground, and a faithful promise was given that matters would be rectified by the month of April.

The date of Ponoka Fair has been fixed for August 22-23. This should be about the right time of the year, and no doubt our fair will be up to that of last year. The directors will soon be getting busy, and with reasonable support, be kind then the success of the fair will be assured.

We regret to have to do this, but as our circulation is increasing, and the high cost of production, leaves no alternative. Parties behind with their subscriptions might call or write and arrangements can be made.

As will be seen by their advertisements, our implement dealers are announcing a very considerable reduction in the price of Tit n tractors.

Now listen: The Social Service Council of Saskatchewan, at a meeting on Thursday evening, condemned Saskatchewan newspapers for printing justifying references to prohibition. A resolution was passed calling upon the public prints to exclude "jokes" regarding liquor. What next?

A meeting of the board of health was held Monday afternoon, when the condition of the river was under review. This lecture has been given in many places from Ontario to B.C. and has always been spoken of very highly.
